

COLLABORATION • ADVOCACY • BEST PRACTICES
<http://www.coloradocyberschools.org>

CCA Mission:

To cooperatively assist cyberschools as they provide a quality education to all Colorado students whose needs are served through online education

What is CCA?

CCA is a nonprofit collaborative organization that assists member cyberschools in providing a high-quality education to online students. CCA's vision is to

- Share information about effective online education and program management
- Promote studies that improve the quality of online programs
- Work with appropriate agencies to improve enrollment and attendance processes
- Improve access to online programs
- Collaborate to address geographic issues inherent to online learning

Who is CCA?

CCA is made up of a diverse group of Colorado cyberschools committed to online educational excellence:

- Branson School Online - www.bransonschoolonline.com
- Colorado Connections Academy - www.connectionsacademy.com
- Colorado Virtual Academy (COVA) - www.k12.com/cova
- Guided Online Academic Learning Academy (GOAL) - www.goalac.org
- Hope Online Learning Academy Co-Op (Hope Online) - www.hopeonline.org
- Insight School - www.insightcohs.net
- Karval Online Education - www.karvalschool.org
- Monte Vista On-Line Academy – www.mvola.org
